BRING YOUR PUPPY TO THE FIRST CLASS.

Things to Know:

- Just for this puppy class, you can enter the Lewis Recreation Center by the front doors. Puppy room is either on the left or right (should be someone to guide you, or just listen for other pups!). The rec center has other classes, so please keep your pup away from other folks in the lobby area and come right to the room.
- If pup hasn't had all the puppy shots, your pup is not yet immune to certain diseases that may be present in older dog's leavings. Therefore, do not let them sniff/eliminate near the building where older dogs, in particular the neighborhood dogs, have eliminated. Please have your pup eliminate near your car then carry your puppy from the car to the classroom.
- All dogs entered in all our classes are required to show proof of vaccination for all important transmittable diseases, including **Bordetella**.
- Be punctual. We cannot begin class until all puppies are safely in the room.
- Dogs are **ONLY** allowed in the puppy room for now. Rest rooms and water fountains are located in the hallway and are off limits to dogs.
- Do not allow your dog to sniff, bark at or play with older dogs in the rec center.
- Refunds: There are no refunds after the first day of class.
